RE: MTC TIP Revision 2007-28

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2007 Transportation Improvement Program (TIP) with Administrative Modification #07-28. The Administrative modification #07-28 updates the project listing and funding for five projects with a net funding change of \$73,000. The significant changes in this revision are:

- The Doyle Drive Replacement project (SF-991030) subsumes the Doyle Drive Congestion Tolling project (SF-070043).
- \$73,000 in RIP-TE funds were added to the San Mateo - El Camino Real betn. Broadway & Brewster project (SM-070001) from the existing reserve.

The revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP and, therefore, a conformity determination is not required. The changes also meet the criteria for changes that may be made administratively.

The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. The revisions will also be uploaded into CTIPS very shortly.

If you have any questions regarding this amendment, please contact Sri Srinivasan of my staff at (510) 817-5793.

Sincerely,

Therese W. McMillan
Deputy Executive Director, Policy
